

POLICY 7321  
ARCHITECT/ENGINEERS

In accordance with state law, a properly registered and licensed architect or engineer shall design District buildings.

The School Board shall designate an architect/engineer for major facility construction, additions or remodeling projects. Selection shall be on the basis of general qualifications including design ability, technical competence in the design of educational facilities, reliability, and past work experience with the District. A modified AIA contract between the architect/engineer and the School Board shall be promptly executed upon selection. This contract shall define in detail the rights and obligations of both parties.
