Mr. Patrick Finnemore, Director of Facilities, and Mr. Steven Knecht, Coordinator of Athletics/Physical Education, presented the Sports Advisory Committee Report submitted by Mr. Knecht, Mr. Finnemore, and Dr. Savaglio-Jarvis, excerpts follow:

The committee, which is chaired by Steve Knecht, was formed shortly after Board approval and the membership includes a general committee as well as subcommittees for each of the three comprehensive high schools. Committee members were solicited in a number of ways and include athletic directors, coaches, principals, parents, community members, Board members, and other elected officials.

The Sports Advisory Committee with a great deal of help from Partners in Design Architects and Camosy Construction has developed detailed conceptual site plans and associated cost estimates which are provided as attachments to this report. The Committee made several changes to the original conceptual plans provided by staff at the start of the process which was expected and desired. It was important to identify and develop plans that balance the needs of each of the sports and schools as well as take into consideration how the community will view the final prope .2054eNwotected 1 100.82 484p61(th

district. In reality these projects would need to be spread over several more years and numerous concessions would need to be made with other pressing maintenance needs.

The Sports Advisory Committee recommends that a referendum question be placed on the ballot in 2015 for the scope and associated cost estimate provided in this report.

This report was reviewed at the October 14, 2014, joint meeting of the Audit/Budget/Finance and the Planning/Facilities/Equipment Committees, and the combined committees voted unanimously to forward this report onto the Board for consideration.

Administration recommends Board approval of the plan developed by the Sports Advisory Committee as described in this report.

Mr. Finnemore distributed and presented a sample athletic facilities referendum information sheet and Board members made the following suggestions relating to it:

Mrs. Coleman suggested that #8 of the FAQs clearly state that Bradford would not get a stadium if the referendum does not pass;

Mr. Bryan suggested that the information sheet state that the new athletic facilities would increase tourism; and

Mr. Wade suggested that a survey be conducted to try to predict the success of the referendum.

Mr. Finnemore and Mr. Knecht answered questions from Board members.

Mr. Kunich moved to approve the plan developed by the Sports Advisory Committee as described in the report. Mr. Bryan seconded the motion. Unanimously approved.

Dr. Savaglio-Jarvis presented School Board Policy 6210 – School Day/Year/Calendar submitted by Mr. Keckler and Dr. Savaglio-Jarvis, excerpts follow:

Policy 6210 – School Day/Year/Calendar is recommended for revision as the state mandates have changed. In April of 2014, Governor Walker approved Act 257. This act removed the traditional 180-day minimum instructional day requirement. The historical minute requirement was not changed. Kenosha Unified has a past practice of including the equivalent of two full days of instruction for potential school closings.

The school calendar will be developed and approved at least 16 months prior to the start of the respective school year to allow for adequate planning and preparation. Due to potential school closings, late adjustments will be made in the best interests of instructional practice while still meeting the DPI requirements.

Certain district programs such as the extended year schools, alternative schools, and approved charter schools may continue to develop alternative calendars that best meet the needs of their students and program formats.

At its October 14, 2014 meeting, the Personnel/Policy Committee did not have a quorum present. Administration recommends that the Board approve proposed revisions of Policy 6210 School Day/Year/Calendar as a first reading this evening and a second reading at the November 25, 2014 regular school board meeting.

Mr. Keckler was present and answered questions from Board members.

Ms. Stevens moved to approve School Board Policy 6210 – School Day/Year/Calendar for a first reading. Mrs. Snyder seconded the motion. Unanimously approved.

Mr. Hamdan presented the Formal Adoption of the 2014-2015 Budget submitted by Mr. Hamdan and Dr. Savaglio-Jarvis, excerpts follow:

On July 22, 2014 the Board approved the preliminary 2014-2015 Budget with assumptions that were used as the guide to create the 2014-15 Budget. The Public Hearing of the 2014-2015 Budget and the Annual Meeting of Electors was held on Wednesday, September 10, 2014 in the auditorium of Indian Trail High School and Academy. The Board of Education has reviewed the District's budget assumptions, received public input at their meetings, and has provided the direction to form the budget. Since the Public Hearing and Annual Meeting, administration has updated the budget to reflect key variables such as student membership, equalized property valuations, certified state aid, and tax levies. The State has provided KUSD with the official October 15 General Aid Certification that provided an additional \$4,175,027 of state aid which resulted in a reduction of our tax levy.

The 2014-15 Budget will include a proposed tax levy of \$89,307,794. The proposed tax levy for the General Fund is the maximum amount allowable within State law without going to referendum. The overall 4.30% decrease in total tax levy equates to \$4,009,332 less in tax dollars for the Kenosha Unified School District as compared to the previous year.

The total mill rate per \$1,000 of equalized valuation is \$11.22, a 7.46% decrease as compared to the prior year. The Equalized Property Values increased by 3.42% from last year which contributed to the overall mill rate decrease.

It is requested that the Board of Education accept the following recommendations:

1. Formally adopt the District's 2014-2015 Budget using the accompanying Budget Adoption Motion (Attachment C).
2. Direct Admin

4. Direct the District Clerk to certify and deliver the Board approved tax levy to the Clerk of each municipality on or before November 10, 2014.
