High School Athletic Eligibility Information Bulletin

To: Student-Athletes and Their Parents

From: Wisconsin Interscholastic Athletic Association and Kenosha Unified School District

Your high school is a member of the Wisconsin Interscholastic Athletic Association. The following rules and regulations are developed by the member schools of the WIAA and govern the participation by boys and girls in school athletics and in some instances, impact upon sports activities outside the school.

This information bulletin is a **summary** of the WIAA OFFICIAL HANDBOOK as it pertains to those rules and regulations. Both student-athletes and their parents should have an understanding of these requirements. Equally important is that student-athletes and/or parents talk to their principal or athletic director if they have any question about these regulations. For additional information on Rules of Eligibility see the WIAA Handbook, or visit the WIAA website at www.wiaawi.org.

This bulletin does not discuss specific penalties for all violations. The reason is that penalties vary depending upon the nature of the violation. In addition, schools often have established penalties or periods of ineligibility, which are greater than the minimum prescribed by WIAA rules.

There also are exceptions and other permissive provisions in some rules. Student-athletes and their parents should discuss all athletic eligibility related situations with the school principal or athletic director who, if necessary, will get a decision, interpretation, or opinion from the WIAA office.

Student-athletes, as well as parents are asked to read this bulletin, then sign it and have their signature statement (attached) on file at their school prior to practicing and competing.

These are WIAA eligibility rules:

AGE

A student shall be ineligible for interscholastic competition if he/she reaches his/her 19th birthday before August 1 of any given school year.

ACADEMICS

A student-athlete must meet school and DPI requirements defining a full-time student and have received no more than one failing grade (including incompletes) in the most recent school issued grade reporting period. Note: Some member schools adopt code and academic policies and other participation requirements which are more stringent than WIAA minimum requirements. In those instances the schools requirements prevail and must be applied as written.

ATTENDANCE

A student-athlete is eligible for interscholastic competition at a member school if he/she is carried on the attendance rolls as a duly enrolled full-time Grade 9, 10, 11 or 12 student in that member school. (Subject to satisfying all other eligibility requirements.)

Note: A full-time student is further defined as one where the member school is responsible for programming 100% of the student's school il. </MCID g2s

- G. District policies with respect to intra-district transfer do not supercede WIAA transfer rules in situations involving post-4th semester transfers. Intra-district transfers occurring after the fourth consecutive semester following entry into grade 9 result in the student being ineligible for practice and competition for one calendar year (365 days beginning with first day of attendance at the new school).
- H. Unless transfer, including an accompanying change of parent's residence, is effective at the outset of a semester, a student cannot establish eligibility at his/her new school until the fifth calendar day of such transfer.
- I. If within the first four consecutive semesters following entry into grade 9, a student who transfers more than once in any given school year shall be ineligible for all interscholastic competition for the remainder of that current school year and will be eligible for non-varsity opportunities only for the balance of the calendar year. In situations involving transfer after the fourth consecutive semester following entry into grade 9 the student is ineligible to practice and compete for one calendar year.
- J. A student may not have eligibility in more than one member school at the same time. A parent or parents who move from a primary residence within one school's attendance boundaries, to a secondary residence within another school's attendance boundaries, may be required by the Board of Control to provide evidence of a total move.
- K. A student who transfers from any school, whether or not a member school, with a status of ineligibility for disciplinary reasons, academic reasons and/or as a result of another State Association's regulation or sanction, retains such status at his/her new school for the same period as decreed by the former school.
- L. No eligibility will be granted for a student whose residence within a school's attendance boundaries, with or without parents, or whose attendance at a school has been the result of undue influence (special consideration due to athletic ability or potential) on the part of any person, whether or not connected with the school.

PHYSICAL EXAMINATION and PARENT'S PERMISSION

A student-athlete whether an adult or not, must have written permission of parents to participate in school athletics and he/she must have a physical examination (signed by a licensed physician or advanced practice nurse prescriber) every other school year.

A physical examination taken April 1 and thereafter is valid for the following two school years. Physical examination taken before April 1 is valid only for remainder of that school year and the following school year.

TRAINING and CONDUCT

A student-athlete must follow his/her school's code of conduct (training rules) on a year-round basis.

- A. A student-athlete who violates his/her school's code of conduct during the season of a sport (start of practice to final game) must be suspended from competition for a period of time specified in the code (minimum of one meet) if the violation involves (a) possession and/or use of alcohol, (b) possession and/or use of tobacco, including chewing tobacco and (c) use, possession, buying or selling of controlled substances, street drugs and performance enhancing substances (PES).
- B. The member school will determine minimum penalties for violation of any other provisions of its code of conduct, including out of season offenses and for any other unacceptable conduct contrary to the ideals, principals and standards of the school and this Association including but not limited to criminal behavior.
- C. A student-athlete who violates his/her school's code of conduct at times other than during the actual season of a sport must be disciplined by the school, the nature of such discipline to be determined by the school as indicated in its code of conduct.
- D. A student-athlete who violates any part of the school or WIAA's code of conduct resulting in suspension of WIAA-sponsored tournament competition must be immediately declared ineligible for the remainder of tournament series in that sport.
- E. A student-athlete, disqualified from a contest for flagrant or unsportsmanlike conduct, is also suspended from the next competitive event.
- F. A school must provide an opportunity for the student to be heard prior to a penalty being enforced. If a student appeals a suspension, according to the schools appeal procedure, the student is ineligible during the appeal process.

AMATEUR STATUS

A student-athlete must be an amateur in all recognized sports of this association in order to compete in any WIAA sport.

- A. A student-athlete may not accept, receive or direct to another, reimbursement in any form of cash or merchandise such as shirts, jackets, sweaters, sweatshirts, jerseys, warm-ups, equipment, balls, duffle bags, backpacks, watches, rings, billfolds, coupons, gift certificates, regardless of their value for athletic accomplishments, such as being on a winning team, being selected for the school varsity team, or being a place winner in an individual tournament, e.g.
- B. A student-athlete may receive awards for school achievement which are symbolic (non utilitarian) in nature – badges, certificates, trophies, medals, banners, ribbons, pictures, plaques, event T-shirts, event hats, game balls, unattached emblems, letters, season highlight DVD or video, e.g.
- C. A student-athlete may not receive compensation or benefit, directly or indirectly, for the use of name, picture, and/or personal appearance, as an athlete. This includes receiving free and/or reduced rates on equipment, apparel, camps/clinics/instruction and competitive opportunities that are not identical for all other participants.
- D. A student-athlete may not be identified as an athlete, provide endorsement as an athlete or appear as an athlete in the promotion of a commercial/advertisement and/or profit-making event, item, plan, or service.
